As the Court is aware, the Parties have entered a Partial Settlement which fully settles the one remaining cause of action but preserves the Plaintiffs' right to appeal causes of action that the Court dismissed on December 24, 2014, including the Court's conclusion that Plaintiffs cannot obtain injunctive relief. The settlement agreement and release is final, and the City expects to pay the settlement amount to Plaintiffs' counsel by June 2, 2015. Pursuant to the terms of the settlement agreement, Plaintiffs will, within five (5) days of receiving the settlement amount, file a Stipulated Dismissal of Remaining Claim and a Stipulated Request to Enter Final Judgment.

While the parties would be happy to appear before the Court at the scheduled status conference on May 28, 2015, neither parties believe that a status conference is necessary at this time. The parties request that the Court continue the status conference until July 9, 2015, with the expectation that the status conference will be vacated if final judgment is entered before that time.
